Lost and found

We have collected quite a few items in our lost and found bin over the last few months. We are going to do a spring clean and donate any left over items to Goodwill on May 15th. We have transferred all the lost items into a larger Tupperware bin in the lobby for parents to peek through as well. We have lots of water bottles too!

FINALE

As our regular classes resume we do have a new number that ALL Emerge students will be learning. Attendance to these rehearsals when listed in May are also MANDATORY. This year our Finale theme is "70's disco" - We do ask that you find something your dancer can wear for this number (There is no need to purchase a new outfit for this number- we encourage you to be creative with things from home! Bright colours, tie dye, sparkles, anything flashy! Some dancers could even wear their costumes from this year or previous years if it works!)
