

SEPTEMBER NEWS

WELCOME TO OUR 2020/21 SEASON!

1.) START DATE FOR ALL CLASSES IS MONDAY, SEPTEMBER 14TH

2.) HAVE YOU REGISTERED? Registration is completely online this year!

REGISTER HERE: <https://forms.gle/zYvMIYBkv1nteVWM6>
Registration fee: \$32.00 per dancer or \$45.00 per family

3.) HAVE YOU RECEIVED YOUR CLASS SCHEDULE?

Check your inboxes for your class confirmations for our class schedule. We can re-send if you need.

Double check the final schedule online @
<https://www.emergedanceacademy.ca/schedule-dress-code>

4.) DRESS CODE

Our updated dress code can be found on our website

here: <https://www.emergedanceacademy.ca/schedule-dress-code>

We will **NOT** be placing class wear orders this season so you can follow the links for suggestions on where to purchase dance wear in Edmonton. Proper bodysuit colours will not be mandatory during the first few months of classes as we understand dancers are still outgrowing their previous season colours. However, proper dance wear type and proper hair will be mandatory (ballet bun for ballet- ponytail for all other classes). We do have some left over stock of bodysuits and tights for sale at the studio (email us for details on sizes).

5.) PARENT PORTAL

Have you received an invitation to your Parent Portal? Returning families, your parent portal has not changed. If you do not have access to your parent portal, please let us know and we will re-send your link and password. A quick link is available on our homepage (emergedanceacademy.ca). The parent portal is a great place to view statements, receipts, tuition, schedule and more!

6.) SEPTEMBER TUITION - Due September 10th

Unless otherwise specified for trial classes, September tuition is due on September 10th. Payments can be made via e-transfer to emergedanceacademy@gmail.com. Visas/MC's on file will be charged automatically unless you let us know otherwise. Visa/MC updates will be sent out the first week of classes. If paying with post-dated cheques this season, please let us know.

7.) COVID PROTOCOLS

We ask that you please take a minute to go over our Covid-19 protocols online at: <https://www.emergedanceacademy.ca/EDA%20Covid%20Protocols.pdf>

A reminder that all students must fill out a daily COVID-19 checklist prior to class every week. This means if your dancer has class on Monday and Tuesday- we must have a form PRIOR to the dancer entering the school on both Monday AND Tuesday. We are so grateful for your patience as we implement this checklist. We have a quick link on our website homepage at emergedanceacademy.ca

We kindly ask that parents do not come into the studio unless absolutely necessary or of course if you are a new family or if you have a meeting with us! Since our lobby is small we would like to keep it to less than 5 parents at any time as we navigate re-opening. NOTE * We will make sure to have staff on to help dancers under the age of 10 get to their parents and cars safely outside after class. For this reason, we ask that you are please on time to pick up your dancer.

Masks are mandatory in all areas of the studio for everyone (masks are optional for dancers ONLY once dancers arrive in their designated square inside their studio)
